

The Bridge Counselling Service is a registered charity (Charity Registration No 1079216). All our counsellors are either fully qualified or students who are supervised by qualified counsellors. All counsellors give their time on a voluntary basis to help people in need. We also rely on volunteers to answer the phone and provide administrative support.

Clients are asked for a donation to help cover our costs and no one is turned away for financial reasons. Our heart is for people to access the help they need regardless of their financial circumstances. Unfortunately, these donations do not cover our running costs and we depend on support from the wider community.

Could you help by becoming a **Friend of the Bridge**?
